

## Curriculum vitae

### Hans Peter Wessel

Born in Hamburg, Germany  
Married, one child  
Leonhard-Müller-Strasse 2  
79418 Schliengen, Germany  
[hans\\_p.wessel@roche.com](mailto:hans_p.wessel@roche.com)  
[hanspwessel@ua.pt](mailto:hanspwessel@ua.pt)

### Education

Sept. 1979  
Nov. 1981

Diploma in Organic Chemistry, University of Hamburg  
Graduation to Dr. rer. nat., **University of Hamburg**,  
in the group of Prof. Dr. J. Thiem

### Positions

Dec. 1981 - Aug. 1983

Research Associate in the Division of Biological Sciences of the **National Research Council of Canada, Ottawa, Ontario**  
Studies in the group of Dr. D. R. Bundle on syntheses of artificial carbohydrate antigens to study carbohydrate/ protein interactions with monoclonal antibodies

Oct. 1983 – Oct. 2013

Employee of **F.Hoffmann-La Roche Ltd** in Basel, Switzerland,  
Pharmaceutical Research

1988 - 1990

Coordinator of the Department of Cardiovascular Diseases

Jan. 1989

Senior Scientist

July 1991

Scientific Specialist

July 2000

Holder of Procuration

July 2001

Promotion into Directorate

Last main function

Section Head Infrastructure and Administration (Discovery Chemistry)

Since Sept. 2011

Invited Full Professor at the **University of Aveiro**, Portugal

### Main research interest

Medicinal chemistry, in particular carbohydrates in medicinal chemistry

Author or coauthor of >100 publications (incl. 6 book chapters/reviews) and patents (19)

Regular reviewer for *Angew. Chem.*, *ACS journals*, *Carbohydr. Res.*, *Bioorg. Med. Chem.*, *BMCL*, ...

### Other professional activities

1994-96

Editorial Board Member of the *Journal of Carbohydrate Chemistry*

1996 - 2012

Associate Editor for the *Journal of Carbohydrate Chemistry*

1994 - 2005

Member of the *Conseil de Perfectionnement* (Advisory Educational Board) of the 'Institut Universitaire Professionnalisé' of the University of Orléans, France

since 2002

Member of the Presiding Committee of the Basel Chemical Society

2008/9

President of the Basel Chemical Society
